The Varsity Field Hockey Team had a successful season - better than our overall record would suggest (5-7-2-2). This actually encompasses our first winning record in the SWC's since 2006 (4-3-3). We made the "M Class" state tournament for the 3rd straight year- first time since 1994-96. We also made it into the SWC semi-finals for the first time in 10 years; we beat the #3 seeded Bethel in the first round and gave New Milford a run for their money in the semi-final game with a scarce 1 goal victory over us. - **Coach Scholten**

BHS Boys Soccer once again enjoyed a very successful year and finished tied 2nd in the SWC conference with a Conference record of 7-3-3. Led by Captains Johnny Serino, Rory, Collins, Tommy Burkhart and Lucas Rodrigues, the team made the Semi-Finals of the playoffs and lost in dramatic fashion 2-1, due to a golden goal. The team had some notable wins on their record especially against their rivals Newtown beating them 3-0. Also, with the of a solid defense made up by Simon Gardner, Sean Stoeppel, Johnny Serino and Rory Collins and keeper Tommy Burkhart the team managed 8 shutouts throughout the regular season. The midfield consisting of Sahill Quaisar, Cairo DaSouza, Matt Bento and Will Lonergan helped create a number of chances this year allowing our Strikers Lucas Rodrigues, Austin DaSilva and Sam Stueck to rack up an impressive 28 goals. The program is currently in a growth phase with a very young team about to lead the way in 2015 with some noticeable players like Carter Birdsall, Michael Santos, Kyle Raines, Matt Williams and Nick Pizzo looking to build upon the continued years of success that the program has maintained. - *Coach Kelly*

This year's girls swim team was very much a work in progress. Led by returning all-stater junior Rachel Brown, and senior Captain Megan Contarino the team really progressed quickly this season. The team's dual meet season record was 7-3 and finished 4th at the SWC conference meet. Freshmen Maddy O'Leary, Adrienne Miller, Loren Wurst and Caroline Iannella really came to the forefront in both their development and ability to score points for the team, giving the Bobcats a very formidable freshmen class of swimmers! The talented sophomore group was led by Emily Mendelson, Gabby Tamer and Celia Weinstein, all very high level performers who were also very high point scorers as well. The junior class along with Brown had huge point production from Brianna Wurst and Ali Bowers as well as some great depth points from LeAnna Murphy. On the diving board the trio of divers were Sophie Baluzy, Ana Kavanaugh and Dana Scherr. Baluzy went on to score points in the state tournament finishing 8th overall. In the state meet the Bobcats finished 3rd with "All State" relay performances by Brown, O'Leary, Tamer, Bri Wurst, and Mendelsson. Rachel Brown won two individual events and was named the MVP of the Class M state meet. The Bobcats are set-up really well for next season as 21 of the 22 swimmers this year will be back next season. – **Coach Reiff**

This year the Girls Volleyball team had its best record in over 20 years. With a 12-5 regular season record we also had the highest state tournament ranking in that same amount of time. We were in every game and became a force to reckon with, also beating rival Newtown for the first time in a long time. Led by our five seniors, we had one honorable mention, three all division players and our captain Cassie Burdick went All SWC and All State. First time Brookfield has had an All State player since the 1980s! What a great season but we are excited for our future. – **Coach Wilkins**

## In Closing

I wish to congratulate all of our teams, our coaches, and especially our student athletes on an outstanding and very memorable season!

To our senior athletes, I wish you well the rest of this year and in all of your future endeavors. Remember this time fondly as there is no feeling like competing on the field, on the court or in the pool with your schoolmates, sharing a collective focus and a common goal while building a special and lasting bond as you work together to achieve greatness.

The brothers and sisters you call teammates will forever be a part of your youth and the connection you share with them can never be broken, because you will forever be a part of the Brookfield Community and the long standing, distinguished tradition of Brookfield Athletics. Be proud of your accomplishments no matter how great or how small because success is not measured by wins and losses alone, it is measured by the friendships you've made along the way and the obstacles you overcame *together*.

To our underclassmen, continue to work hard and be the best you can be on the field and in the classroom. Play every game and every play as it is your last because before you know it, you will be the outgoing seniors and you will want to leave the field, the court or the pool with no regrets.

To our Administrators, Teachers, Students, Parents and other Community Members, I strongly encourage everyone to continue to support our athletes by attending our Sporting events and cheering on our teams as they represent Brookfield and strive for excellence.

It has been my extreme pleasure to lead the Athletic Program here at Brookfield High School and I am extremely grateful for the opportunity to watch all of you compete to the best of your ability and represent this fine community with honor, dignity, and integrity. I look forward to future seasons with excitement, eagerness and enthusiasm.
