"Working days" means work days of the bargaining unit.
- C. Grievances shall be handled in the following manner:

Any employee, and her/his Union representative, considering himself or herself aggrieved must first discuss the matter informally with his or her immediate supervisor for the purpose of resolving complaints on an informal basis, but such informal process shall not impact the grievance timelines.

**Level One - Building Principal**

Effective through June 30, 2016 the present medical insurance plan shall remain in effect.

Effective July 1, 2016, eligible employees shall be offered medical benefits in the form of a high deductible health plan ("HDHP") which includes a \$2,000 individual deductible and a \$4,000 deductible for individual plus dependent coverage. After the deductible is satisfied employees shall be responsible for copays for prescription drugs in the amount of \$5.00 for generic drugs, \$25.00 for brand preferred drugs and \$40.00 for brand non-preferred drugs. The insurance coverage shall be provided by the Board and the provided plan must be fully complied with by employees. All applicable disincentives and penalties will be enforced.

The Board shall adopt an I.R.S. Section 125 Plan for Board provided health benefit premium sharing by employees. This plan shall be part of one (1) Brookfield School District-wide plan. I.R.S. regulations shall govern the administration of this plan. The Board makes no representations or guarantees as to the initial or continued viability of such a Salary Reduction Agreement, and shall incur no obligation to engage in any form of impact bargaining in the event that a change in law reduces or eliminates the tax exempt status of employee insurance premium contributions. So long as the Board makes a good faith effort to comply with this paragraph, neither the Union or any employee covered by this Agreement shall make any claim or demand, nor maintain any action against the Board or any of its members, employees or agents for taxes, penalties, interest or other cost or loss arising from a flaw or defect in the Salary Reduction Agreement, or from a change in law which may reduce or eliminate the employee tax benefits to be derived there from.

Employees wishing to participate in the medical insurance program must complete and sign a participation agreement and payroll deduction form from the personnel office.

An individual member deductible of \$50 per calendar year and family deductible of \$100 per calendar year will be shared between basic and major services. Basic services are payable at 80% and are subject to the deductible. Major services are payable at 50% and are subject to the deductible also. The maximum coverage allowance is \$1,200 per person per calendar year.
- D. Annual premium sharing contributions will be made by the employee for medical and dental insurance through payroll deduction of 21 equal payments. The employee will contribute toward the insurance premium (or equivalent) costs for the contract term as follows:

14% for Individual coverage  
40% for Two-person and Family coverage

These premium share rates shall be based on the allocation rates in effect on July 1 of each year of the contract.

- E. If the Board wishes to change the carriers or administrators of the health insurance benefits listed in this Article, it must offer employees a plan with coverage comparable to or better than the coverage described in this Article and a network that includes at least 80% of the current network providers in Fairfield and proposed insurance carrier change, and the Board will provide to the association, upon request, an analysis of the similarities and differences between the current and proposed carriers in order to substantiate that the two are comparable. Any dispute regarding “comparable or better” coverage shall be resolved in accordance with Article XII, Level Four (Arbitration) before the American Arbitration Association (AAA), in accordance with AAA labor rules, prior to the implementation of any such change, provided the Union files for arbitration within ten (10) working days of being provided the insurance comparisons by the Board.
- F. Administration of Claims. If a medical insurance claim has not been processed within thirty days of the date the claim was filed, the employee may notify the Board’s business office which shall provide assistance in the processing of the claim. This provision is not subject to Article XI (Grievance Procedure) of this Agreement.
- G. The Board will provide an Employee Assistance Program for eligible staff.
